Outstanding. Michael's insights into the process of musical learning challenged and stimulated, provoking real engagement and analysis of attitudes among my staff. The buzz of excitement was palpable and has led to some shifts in attitude that I don't think would have happened otherwise.

- Sue McCall, Harrow Music Service Leader, UK

Michael Griffin is an educator, keynote speaker, author, conductor, and pianist.

Michael's professional development for staff, and enrichment lectures for students and parents, examine the factors that impact continuous improvement toward exceptional achievement. Indeed, Michael's books *Children and Learning – For Parents* and *Learning Strategies for Musical Success* investigate these concepts in detail providing pragmatic solutions for parents and teachers.
